

PRELIMINARY PROGRAMME

Monday, September 5

10:00 – 10:20 Welcome and introduction

Rémi Chabrilat

Directeur-adjoint productions et énergies durables, Agence de l'Environnement et de la Maîtrise de l'Energie (ADEME)

Christophe Rupp-Dahlem

Président de l'Association Chimie Du Végétal (ACDV)

10:20 – 11:15 Biorefineries Perspectives (part 1)

Moderator: **Thierry Stadler**, Directeur Général d'Industries Agro-Resources (IAR, French competitiveness cluster)

10:25 Plenary session: BIOREFINERIES IN THE WORLD

- Biorefinery road map for Germany
- Biorefineries, Star Colibri project
- Biorefineries, overview in France
- Lignocellulosic biorefinery concepts
- Benchmark, US strategy

Dr Schütte, FNR
Christophe Luguel, IAR
Hughes de Cherisey, ADEME
Niklas von Weymarn, VTT Finland
Paul Bryan, DOE

11:15 - 11:45 Coffee break and visit of the exhibition

11:45 – 13:15 Biorefineries Perspectives (part 2)

11:45 Round table: FOCUS ON EUROPEAN ILLUSTRATIONS

- Biorefineries - the role of biotechnology
- The Leuna biorefinery project
- Biomass to liquid, BioTFuel
- Overview Microalgae opportunities
- Industrial Biotechnology in the frame of CLIB2021
- Nepic
- BRI Platform

Tina Sejersgard, NOVOZYMES
Prof. Thomas Hirth, University Stuttgart
Jean-François Rous, Sofiprotéol
Jean-Paul Cadoret, IFREMER
M. Kircher, Evonik
Mark Lewis, UK
Yvon Le Henaff, ARD

General discussion

13:15 - 14:30 Lunch

14:30 – 15:15 Markets for 2020 (part 1)

Moderator: **Dietrich Wittmeyer**, General Secretary, European Renewable Raw Material Association (ERRMA)

14:35 Plenary session: WHICH MARKETS FOR TODAY AND TOMORROW?

- Market overview for biobased products now and in 2020
- New flooring with 100% biobased plasticizers
- Bioethylene case study
- Sustainable Solutions for Personal Care with Plant Based Ingredients,

Bernard Hasson, SpecialChem
Gerflor, Roquette
Francesco Palambo, Petrobras
Marie-Pierre Labeau, Rhodia

15:15 - 15:45 Coffee break and visit of the exhibition

15:45 – 17:15 Markets for 2020 (part 2)

15:45 Round table: BIOBASED PRODUCTS ILLUSTRATIONS

Christophe Lacroix, Arkema • **Maira Magnani, Ford Research Centre Aachen GmbH** •
Kees Bleijenberg, Rhodia Novacare • **UK industrial representatives** • **Rolf Luther, Fuchs Europe** •
Eric Nels, Cognis-BASF • **Anne Wagner, Syral** • **Ralph Schimpf, Beiersdorf, Corporate Director Prototyping**

17:15 – 17:45 Conclusion

Jean Pelin

Directeur général UIC (Union des Industries Chimiques)

Congress Dinner

09:00 – 09:20 Introduction

Opportunities of plant based chemistry for 2020,

Christophe Rupp-Dahlem, Président de l'Association Chimie Du Végétal (ACDV)

09:20 – 11:15 European Actual Policies statements for 2020 impacts

Moderator : **Jeremy Tomkinson**, President of **ERRMA**, **NNFCC**

09:25 Plenary session: EUROPEAN PERSPECTIVES FOR RESEARCH AND INNOVATION

- SusChem position on KBBE - definition **Marcel Wubbolts, Member of the Board of SusChem**
 - Bio-based economy in Europe : "more than our daily bread" **Maive Rute, Director for Biotechnologies Food, Agriculture Research, DG R&I**
 - Lead Markets for bio- based products; recommendations and actual development": **Peter Schintlmeister, Austrian Federal Ministry of Economy, chairman of the EU- LMI ad hoc Advisory Group**
-

11:15 - 11:45 Coffee break and visit of the exhibition

11:45 – 12:15 European Actual Policies statements for 2020 impacts

- Sustainable Agriculture, Innovation and Rural Development in the CAP post 2013 perspective **Myriam Driessen, Senior administrator, policy coordinator Climate Change, Forestry Bioenergy, and Biomass, DG Agri**
- ERRMA position on EU- Public/Private Innovation collaboration, Building the Bio-Economy by 2020 in conjunction with LMI **Francesco degli Innocenti, ERRMA / Novamont**

Discussion panel with speakers

12:15 - 13:45 Lunch

13:45 – 15:45 Incentives and regulation

Moderator: **Andreas Schuette**, Managing Director, **FNR**

13:50 Plenary session: STANDARDISATION, CERTIFICATION, LABELLING, SUSTAINABILITY, FISCAL INCENTIVES, INVESTMENT

- Standardization and certification, CEN results for bio-based products **Rainer Busch, chairman of the CEN Group Bio-based products**
- Sustainable requirements for bio-based products **Martina Fleckenstein, WWF
Christine Stiehl, BASF**
- Financial incentives for the Plant based chemistry in Europe for 2020 **biotechnology, EuropaBio** **Joanna Dupont, Director Industrial**

14:30 Round table: ILLUSTRATIONS OF INITIATIVES IN EUROPE

- ACDV initiative for the biobased content labelling **J. Pallot, Roquette**
 - Financial support, financial aspects (« Investissement d'avenir ») **Jean-Guillaume Peladan, directeur Investissements d'avenir, ADEME**
 - Regulations **Pascal Perrochon, UIC
Jean-Luc Pelletier, USIPA**
 - Sustainability issues **Guy Noël Sauvion, Rhodia**
 - USDA Initiatives for bio based products support **Paul Bryan, DOE**
 - British Standards Institution **John Williams**
-

15h45 – 16:15 Coffee break and visit of the exhibition

16:15 AGROBIOBASE AWARDS CEREMONY

16:45 – 17:15 Conclusion

Clemens Neumann, director general of the German ministry of agriculture, food and consumer protection

Eric Giry, chef du service de la stratégie agroalimentaire et du développement durable of French Ministry of food agriculture and fishery
